Mr. Vettik

Dear Jaanus Vettik!

ZAO Parastek Beton expresses thanks to all staff of JARTEx LLC., who have participated in the reconstruction of our plant by the area more than 3000 sq. meters in Kolomna of Moscow region. Special thanks personally for you, as a head of the company for the clear contract maintenance and realizing this project in time. It is hard not to mention the congruence of company's departments, showing high quality of works completed taking into consideration tight time-schedule and also prompt problems solving on site.

Professionalism of your staff, that attitude to duties and tasks inspires the optimism to the future trends of our cooperation. We are hoping sincerely, that your company will perform self-name on the same high level in future projects.

With best wishes,

Olli Ruutikainen
